

SSM 50105 - 2020-2021 Escape/Corsair - Roof Opening Panel Sun Shade - Shield Pilot Clips Available As A Lower Level Service Part Availability

Some 2020-2021 Corsair/Escape vehicles may exhibit issues with the roof opening panel shield feature of the roof opening panel where a replacement shield pilot clip is needed. The shield pilot clips are now available separately for service, Part Number LJ6Z-5452118-A. Reference Workshop Manual (WSM), Section 501-17. Replacement of the roof opening panel sun shade is not necessary when only replacing the shield pilot clips.
